“I walked away with useful, practical insights which are immediately applicable. CJ is a brilliant coach. He successfully weaves in real life scenarios within the session to create a highly impactful and relevant experience. I would highly recommend senior professionals sign up for coaching with CJ.”

## All his offerings can be successfully delivered online as well

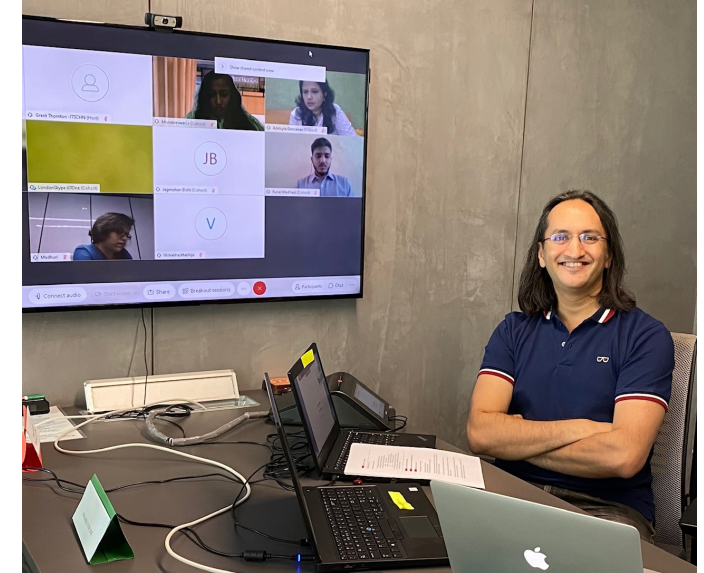

“ Papa CJ was the host of our India Partners Conference (IPC) 2020. It was our first virtual IPC, spread over 4 half days of two weeks of August. Papa CJ generated amazing positive impact- made the transition over days seamless, ensured energy levels were high and engagement very effective. It was possible because of days of preparation by Papa CJ wherein he spoke with almost everyone from the leadership team to understand firm’s vision, culture and specific themes of each session. Humour was spot-on as expected, but he also brought out the emotions when he read a piece from his book. Overall a thorough professional job delivered. Well done Papa CJ!
