Papa CJ was the host of our first virtual India Partners Conference where he generated **amazing positive impact.**

He made the transition over days seamless, ensured energy levels were high and **engagement was very effective.**

This was possible because of days of preparation by CJ wherein **he spoke with almost everyone from the leadership team to understand the firm's vision,** culture and specific themes of each session.

His **humour was spot on** as expected, but he also brought out emotions when he read a piece from his book.

Overall a **thoroughly professional job delivered.**
Well done Papa CJ!
